

Modern Classic by Cheng Seok Hwa Wins Iron in A' Interior Design Awards

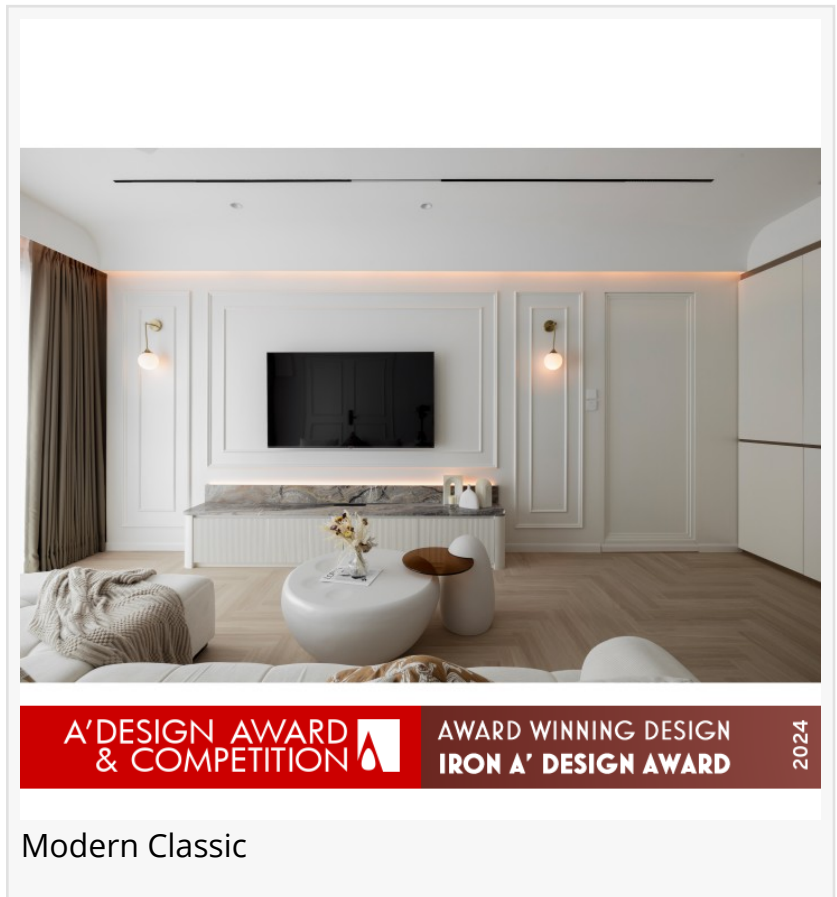

Cheng Seok Hwa's Elegant Residential Apartment Design Recognized for Excellence by Prestigious A' Design Award

COMO, CO, ITALY, December 7, 2024 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected recognition in the field of [interior](#) design, has announced [Cheng Seok Hwa](#) as a winner in the Interior Space and Exhibition Design category for the exceptional work titled "Modern Classic." This prestigious accolade highlights the significance of Cheng Seok Hwa's contribution to the interior design industry, acknowledging the project's innovative approach and outstanding execution.

Cheng Seok Hwa's "Modern Classic" design resonates with current trends in the interior design industry, showcasing a masterful blend of elegance and functionality. The project's success in the A' Interior Space, Retail and Exhibition Design Award demonstrates its relevance to industry professionals and potential clients seeking inspired, well-crafted living spaces that enhance daily life.

The "Modern Classic" residential apartment design by Cheng Seok Hwa stands out for its thoughtful use of color, lighting, and materials. The cream-white color scheme applied to walls and furniture, combined with LED lighting, enhances the visual appeal of the curved arch ceilings, creating a gentle and inviting atmosphere. The strategic incorporation of natural marble in the living area, TV cabinet, and kitchen elevates the design's elegance, with subtle veining patterns adding visual interest without overpowering the space.

Winning the Iron A' Design Award for "Modern Classic" serves as a testament to Cheng Seok

Modern Classic

Hwa's dedication to pushing the boundaries of interior design. This recognition is expected to inspire the designer to continue exploring innovative approaches and refined aesthetics in future projects, further contributing to the advancement of the interior design industry and setting new standards for residential apartment design.
