

Orchestra Along with ThreeWill Announce Their Partnership to unlock the full power of Microsoft 365

TreeWill partners with Orchestra to deliver a complete governance, adoption, and enablement platform to SMBs, unlocking the full power of Microsoft 365.

ALPHARETTA, GA, UNITED STATES,
December 10, 2024 /

EINPresswire.com/ -- Orchestra (<https://www.orchestra.com>) is an all-in-one, enterprise-grade M365 management platform that delivers unparalleled predictive insights and automated [governance](#) to ensure a secure, efficient, and AI-ready workspace. Built by Microsoft 365 MVPs with IT administrators and end-users in mind, Orchestra simplifies M365 management and enables businesses to thrive in the digital landscape.

ThreeWill partners with organizations to enhance operational efficiency and drive innovation through cutting-edge Microsoft technologies and strategic consulting.

Orchestra

Orchestra revolutionizes M365 ecosystem management by delivering forward-thinking, trend-analysis-driven insights and automated governance.

The Orchestra platform eliminates the guesswork from Microsoft 365 (formerly Office 365) through cutting-edge insights, powerful automations, and seamless governance features. By offering comprehensive insights and [recommendations](#), Orchestra proactively prevents risks and enhances reporting capabilities, streamlining Microsoft 365 management.

ThreeWill (<https://threewill.com/>) partners with organizations to enhance operational efficiency and drive innovation through cutting-edge Microsoft technologies and strategic consulting, offering unparalleled support for AI governance, content management, collaborative solutions and Microsoft 365 optimization in collaboration with Orchestra.

With a shared passion for client success through digital transformation, the partnership will enable ThreeWill to deliver wins in Microsoft 365 governance and collaboration to their clients on the Orchestra platform.

We knew the ThreeWill team would be a great fit for us when we learned of their commitment to help SMBs, and their employees, thrive at work using Microsoft technologies”

*Michal Pisarek, CEO of
Orchestra*

Michal Pisarek, CEO of Orchestra, shares “I’m very excited to announce ThreeWill as a partner! We knew the ThreeWill team would be a great fit for us when we learned of their commitment to help SMBs, and their employees, thrive at work using Microsoft technologies ”.

More than just a standard templating and governance tool for Microsoft Teams, Orchestra's comprehensive platform will enable ThreeWill to support clients with governance in SharePoint Online, Microsoft Planner, Microsoft Lists, Microsoft OneNote as well as other Microsoft 365 business applications through a single, unified interface.

"ThreeWill is thrilled to partner with Orchestra to deliver a complete governance, [adoption](#), and enablement platform to SMBs, helping them unlock the full power of Microsoft 365," said Tommy Ryan, Founder and CEO of ThreeWill.

In partnership, ThreeWill and Orchestra will help organizations master effective information management in the age of AI, and maximise the potential of Microsoft 365.

About ThreeWill

ThreeWill is a Modern Work Certified Solution Partner for Microsoft dedicated to helping small-to-medium businesses (SMBs) align Microsoft technologies with their real-world needs and objectives. Driven by our belief that happier employees build better businesses, we empower clients to enhance communication, collaboration, and productivity through solutions tailored to their unique needs, challenges, and desired outcomes—ensuring that both employees and businesses thrive.

About Orchestra
