Our goal is to allow every person to walk with dignity, especially children. A new pair of shoes instills confidence and manifests itself in a myriad of ways."

No Bare Soles furthers the nonprofit's Worldwide Tour to eradicate poverty by providing food and clothing to families facing economic hardships. The nonprofit aims to continue supporting some of the nation's greatest poverty-stricken cities in Georgia, Illinois, Louisiana, and Washington D.C. and overseas in the Caribbean, Guyana, Nigeria, Uganda, and South Africa by conducting a series of on-site distributions throughout the next year as announced in October.

"Our goal is to allow every person to walk with dignity, especially children. A new pair of shoes instills confidence and manifests itself in a myriad of ways," said Caring For Others Founder & CEO Eslene Richmond-Shockley. "We are honored to continue our work supporting our local community and aim to extend this work globally in support of our Worldwide Tour."

Caring For Others is committed to giving those in need a chance to live with dignity by restoring hope and providing the tools and resources required to break the cycle of poverty and, ultimately, sustain an overall improved quality of life. From its humble beginnings 26 years ago,

Caring For Others has launched numerous programs including food and clothing distributions like No Bare Soles, Comfort & Care, and Christmas in September and other programs like 1st Impression, All Hands Disaster Relief with Convoy of Care, Feeding Atlanta, CareLoft, Think Tank, International Poverty Forum, and the ERS Scholarship Fund. Additionally, the nonprofit has expanded internationally into Antigua, Belize, Guyana, Guatemala, and the Philippines with microeconomic community empowerment loans, as well as much-needed household goods and clothing.
