Healing Hearts (HHH) is delighted to announce Rich and Linda Faver as the Honorary Chairs for the 11th Annual Denim & Diamonds Fundraiser, to be held on Thursday, February 27, 2025. This signature event will take place at Katz Pavilion in West Palm Beach, bringing the community together for an unforgettable evening in support of HHH's mission to empower children impacted by addiction through equine-assisted therapy.

Rich and Linda Faver are prominent figures in the equestrian community in Wellington, Florida, with deep expertise in equine quarantine, transportation, and training. Their businesses, Richard M. Faver, Inc. Equine

Quarantine and Faver Inc. Horse Transportation, have been instrumental in providing high-quality services to the equine community. Rich operates a state-of-the-art quarantine facility, handling over 1,000 horses—including more than 300 stallions—with specialized expertise in breeding, collection, and Contagious Equine Metritis (CEM) quarantine procedures. Linda, owner of Happy Endings Farm, has trained clients who have achieved top placings at prestigious horse shows nationwide.

The Favere's commitment to equine excellence mirrors their passion for philanthropy. As attendees at last year's Denim & Diamonds fundraiser, Rich and Linda demonstrated their generous spirit by supporting the event and purchasing several auction items, including the highly sought-after Goodyear blimp excursion.

“Rich and Linda are the perfect choice to serve as this year's honorary chairs,” said Eileen Edwards, last year's honorary chair of the Denim & Diamonds event. “Their love for the

equestrian community and their dedication to giving back is unmatched. I have no doubt that their leadership will make this year's fundraiser a great success!"

The Denim & Diamonds event will feature live entertainment, a silent auction, gourmet dining, and opportunities to don your best Western-inspired attire. Proceeds from the evening will directly support HHH's equine-assisted therapy programs, which provide life-changing support to children ages 7 to 17 in South Florida.
