

January Uprising by Izabela Jurczyk Wins Iron in A' Publishing Industry Awards

Izabela Jurczyk's Exceptional Catalog Design Honored with Prestigious A' Design Award in Print and Published Media Category

COMO, CO, ITALY, December 10, 2024 /EINPresswire.com/ -- The A' Design Award, a highly respected and well-recognized award in the field of [print design](#), has announced [Izabela Jurczyk](#)'s work "January Uprising" as the recipient of the Iron A' Design Award in the Print and Published Media Design category. This prestigious recognition highlights the significance of Jurczyk's design within the print industry and celebrates her outstanding contribution to the field.

The "January Uprising" catalog, a commemorative publication marking the 160th anniversary of the Polish national uprising against Russian annexation, showcases Jurczyk's exceptional design skills. The catalog's relevance extends beyond its historical context, as it demonstrates the power of print design to preserve cultural heritage and engage audiences in meaningful narratives. Jurczyk's work sets a high standard for the industry, inspiring fellow designers to create impactful and purposeful print projects.

Jurczyk's design stands out for its thoughtful use of color, with gold tones evoking the shimmering January snow and emphasizing the publication's ceremonial nature. The hardcover and golden panels elevate the illustrations, transforming modest prints into works of art. The handwritten subtitle "Katalog" adds a personal touch, underscoring the collection's closeness to everyday life and the hearts of Poles living under foreign rule. These design choices not only showcase Jurczyk's creativity but also demonstrate her ability to convey complex emotions and historical significance through print media.

January Uprising

Winning the Iron A' Design Award serves as a testament to Izabela Jurczyk's skill and dedication to her craft. This recognition will undoubtedly inspire her to continue pushing the boundaries of print design, exploring new techniques, and creating meaningful works that resonate with audiences. As Jurczyk's studio, Studio Design, continues to take on new challenges and collaborate with clients, this award will serve as a reminder of their commitment to excellence and their ability to deliver impactful design solutions.

About The National Library of Poland

The National Library of Poland acts as the central library of the country and is one of the most important cultural institutions in Poland. Its mission is to protect national heritage preserved in the form of handwritten, printed, electronic, recorded sound and audiovisual documents. The primary task of the National Library of Poland is to acquire, store and permanently archive the intellectual output of Poles, including the works of citizens living on Polish soil, the most important foreign works, and publications related to Poland and published abroad.

About Studio Design

The principal domain of Studio Design is perfect typography characteristic of all their printing productions. The style of Studio Design was shaped by typographic experiments with characters, fonts and text. As a result, the works originating from their studio are noticed for their skilful management of image. Studio Design understands how a graphic sign builds up specific emotions which translate into the image of a business or a product and how they can turn a sign into a harmonious part of the space. They design and produce logos with corporate brand books, visual identification systems for companies and products, prints that reinforce product identity, advertising products and materials dedicated to specific brands.

About A' Design Award

The Iron A' Design Award is a prestigious recognition granted to good designs that meet the professional and industrial standards set by the A' [Design Awards](#). Recipients of this award are acknowledged for their practical innovations and contributions to their respective fields, providing solutions that improve quality of life. The rigorous selection process involves blind peer review by an expert jury panel of design professionals, industry experts, journalists, and academics who evaluate entries based on pre-established criteria. The Iron A' Design Award celebrates designs that demonstrate skill, specialization, understanding, and creativity in addressing real-world challenges and fostering positive change.

About A' Design Award

The A' Print and Published Media Design Award is an esteemed international competition that recognizes exceptional design in the print and published media industry. Welcoming entries from talented designers, creative agencies, progressive companies, and influential brands, the

award provides a platform to showcase skill, gain global exposure, and be rewarded for outstanding design capabilities. The competition, now in its 16th year, is organized across all industries and open to entries from all countries. A' Design Awards are driven by a philanthropic mission to enhance society through the power of good design, motivating designers and brands to develop superior products and projects that positively impact the global community. By recognizing and celebrating remarkable achievements, the A' Design Award promotes a global appreciation for the principles of good design, driving forward the cycle of inspiration and advancement.
