

# ONIRIAM Launches: A VR Game Combining Art Therapy and Emotional Discovery

*Step into breathtaking dreamscapes, uncover lost emotions, and shape your destiny in this groundbreaking virtual reality adventure*

ROME, ITALY, December 12, 2024 /EINPresswire.com/ -- ONIRIAM has launched on PlayStation VR2, offering players a groundbreaking journey into dreamlike worlds, crafted not only by game developers but also with the collaboration of psychologists, musicologists, chromotherapists, and art therapy experts. This unique approach makes ONIRIAM a one-of-a-kind game designed to combat emotional atrophy and help players rediscover emotions in a healthy and positive way.

Set in surreal environments that evoke wonder and introspection, ONIRIAM invites players to explore enchanted forests, golden canyons, timeless steampunk cities, and apocalyptic worlds, all meticulously designed to immerse them in a transformative experience.

"ONIRIAM was created to evoke deep emotional resonance and guide players toward self-discovery," said Sergio Pisano, CEO of MY WORLD srls. "By integrating principles of art therapy and collaboration with professionals in psychology and chromotherapy, we've built a game that doesn't just entertain but inspires and heals."
