OREFIELD, PA, UNITED STATES,
December 11, 2024 /

EINPresswire.com/ -- [Shankweiler's](#) Drive-In Theatre, the oldest drive-in cinema in the United States and itself a Guinness [World Record](#) holder, is gearing up for a unique, boundary-pushing event. On Monday, December 16, the beloved venue will host the "Santa Danny Double," a one-night-only double feature celebrating actor Daniel Roebuck's World Record for playing Santa Claus in two vastly different films in the same year.

As a very special bonus, the first hundred attendees will get a signed special edition photo commemorating the night!

The evening begins at 7:00 p.m. with [Saint Nick of Bethlehem](#), a heartwarming, PG-rated holiday tale filmed in Roebuck's hometown of Bethlehem, PA. The film delivers an inspiring message of hope and resilience, featuring iconic Lehigh Valley landmarks and spreading the true spirit of Christmas.

At 8:45 p.m., the night takes a wild turn with Terrifier 3, the latest installment in the cult-classic horror series. This unrated (treated as a firm R) feature showcases Roebuck's versatility, as he portrays a darker, sinister Santa in a gruesome and chilling tale that blends holiday themes with the shocking brutality the franchise is known for.

"This is the kind of programming we dream about," said organizers at Shankweiler's. "A wholesome Christmas film followed by a completely unhinged, debauched horror flick—it's a perfect showcase of Daniel Roebuck's dynamic duality!"
