

# wds Launches New Book - Crossword Puzzles

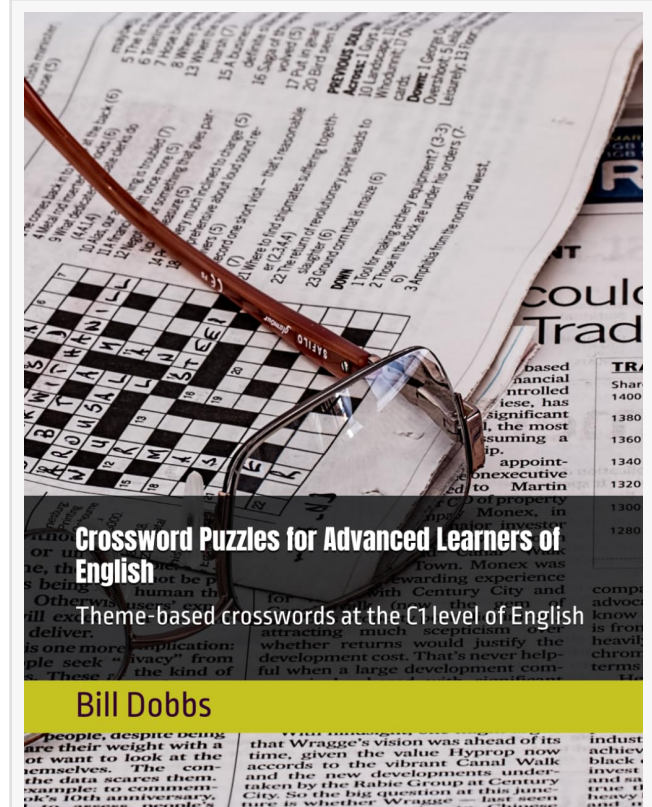

*Latest Release, Advanced Level (C1) Crosswords for Advanced Learners of English*

WINTERTHUR, SWITZERLAND, December 12, 2024 /EINPresswire.com/ -- The language school [wds](https://www.wds.ch) in Winterthur, Switzerland, has just launched its latest book '[Crossword Puzzles](#) for Advanced Learners of English at the C1 Level'. The book contains a set of 75 theme-based crossword puzzles for advanced learners of English, suitable for levels upper B2 to C1. Definitions of each word are given and the complete puzzles are shown at the back of the book. The puzzles provide an excellent way of revising and brushing up vocabulary and practising spelling. Teachers will find the book a useful resource for classwork or homework.

A dedicated teacher's book is also in production, comprising the same puzzles but presented in a communicative way, - students are given one complete puzzle with no clues and another puzzle which is blank. The students with the complete puzzle have to explain the words they see to the ones who have a blank puzzle. This creates great communicative practice. In addition, there are sets of follow-up exercises for each puzzle, - matching words to definitions, blank-filling, writing tasks and conversations about the themes/topics dealt with.
