

OPPOLIA's Design Tour: A Creative Exchange with Malaysian Professionals

Malaysian designer toured OPPOLIA HQ, exploring innovative whole-house solutions, fostering collaboration, and gaining insights into premium customization.

KUALA LUMPUR, MALAYSIA, December 11, 2024 /EINPresswire.com/ -- On December 9th, a group of elite design professionals from Malaysia visited the OPPOLIA HQ showroom, fully aware of the new collections and the concept of whole-house customization.

OPPOLIA Showroom Tour

This immersive design study tour was organized by iN Design Lab and 77° Global Furnishings Media which aimed to provide an inspiring experience for designers and architects. The event allowed designers to gain first-hand insights into innovative design trends by [OPPOLIA Home](#). They collaborated with the company, fostering valuable professional relationships and exchanging creative ideas. Additionally, the tour provided designers with a channel to obtain OPPOLIA premium woodwork for their future projects, enhancing their competitive edge in the market.

Before the showroom tour, Mr. Zac, Sales Director of OPPOLIA Home,

delivered a captivating presentation. With a deep understanding of OPPOLIA's innovative approach, he highlighted the company's commitment to redefining home customization. By sharing the history of the company, current business network developments, and future plans, he emphasized the potential for future collaboration with designers. "We foresee a future where more families will benefit from our home solutions," Mr. Zac concluded, "so we will never stop exploring and innovating."

Building on this vision, OPPOLIA's showroom offered a tangible experience of these innovative concepts. The spacious, elegantly designed displays showcased a wide array of customizable home solutions. The comprehensive tour included OPPOLIA's whole-house solutions, 2024 collection highlights, high-end furniture and appliances, and the seamless integration of wooden doors and wall panels. Instead of presenting cabinets and furniture separately, OPPOLIA transformed each home space into a cohesive scene with tailored furnishings, allowing visitors to experience the actual living environment. Moreover, the showroom featured a curated selection of sustainable materials with E0-grade cabinet panels, underscoring OPPOLIA's commitment to eco-friendly practices. Witnessing the meticulous craftsmanship and attention to detail that was put into creating each piece left a lasting impression on the designers. "The experience was truly eye-opening. And as for myself, I am excited to the possibilities for future projects and collaborations with OPPOLIA!" after touring, one of the visiting designers shared.

More about OPPOLIA Home

Founded as part of Oppein Home Group Inc., OPPOLIA is recognized for its dedication to quality and innovation in minimalist-style home furnishings.
