---

SANTA CRUZ, CA, UNITED STATES, December 11, 2024 /EINPresswire.com/ -- Kevin A. Morris, a seasoned accounting professional and passionate music historian, announces the release of his eagerly awaited book, *One Hit Wonders*. This meticulously researched guide offers readers an authoritative look at musical artists who have captured the public's imagination with a single hit song.

Drawing from over 350 hours of dedicated research, Morris's book spans the history of rock and roll from its early days in 1949 up to the viral hits of 2019. The guide details artists from Arthur "Big Boy" Crudup to modern phenomena like Pinkfong's "Baby Shark," providing music enthusiasts with the most accurate one-hit wonders compendium to date.

*One Hit Wonders* began as a spark of inspiration during a trivia contest on a Princess Cruise in 2022, where Morris discovered numerous inaccuracies in popular lists of one-hit wonders. Determined to set the record straight, Morris dug deep into music archives and chart histories to compile a definitive and reliable reference that music lovers, trivia buffs, and historians alike will find indispensable.

*One Hit Wonders* is more than just a list; it's an exploration of the cultural, economic, and personal stories behind the songs that define generations. Each entry not only confirms the one-hit wonder status of the artists but also offers insights into the songs' creation, impact, and legacy.

*One Hit Wonders* is available for purchase on Amazon and the official website. It serves as an essential resource for anyone interested in the unique phenomenon of one-hit wonders in the music industry.
