"MaryJane's on the Westway is easily the best shop in the city. It's the only one I ever go to now. They have amazing selection and always have stock. But the BIGGEST reason I only go here is their service. Specifically, my man Aniket has helped me SOOO MANY times with many great

recommendations. I'm relatively new to cannabis and he's helped me so much with a million questions of mine lol He's the best, the team there is the best, and whoever is running this place clearly puts a lot of emphasis into education, training, and sales skills. Bravo! Thank you! and
