About Dubai Sports Council

Founded on November 30, 2005, following a decree by His Highness Sheikh Mohammed Bin Rashid Al Maktoum, the Vice President and Prime Minister of UAE and Ruler of Dubai, Dubai Sports Council is the official body responsible for the development of the sports sector in the Emirate. The Council supervises the work of Dubai's seven local sports clubs and takes active interest in encouraging the practice of physical activity in society, especially among women and children, through programs and activities designed to create awareness about the importance of sport and physical activity, and to make it a way of life for the community. The DSC's mandate, though, is not just to promote sport, create awareness and nurture talent, but to also support creativity and reward excellence among both individuals and organizations and help Dubai become a land of health, happiness, and vitality. It has organized many international conferences and symposiums since 2006, including the annual Dubai International Sports Conference, to enhance the knowledge and culture of professionalism, and has brought some of the biggest names from the world of sports here to share their vision and thoughts. The Council also seeks to develop the sports industry in the UAE and the world through initiatives like the Mohammed Bin Rashid Al Maktoum Creative Sports Award, and it organizes many major international sports championships as well in cooperation with multiple sports bodies. Today, under the guidance of its chairman, "His Highness" Sheikh Mansoor Bin Mohammad bin Rashid Al Maktoum, the DSC organizes and supports more than 400 events annually - not just top-notch sporting extravaganzas, but also awards and conferences that promote excellence, creativity, and innovation in the world of sports.
