[Construction, LLC](#), a dynamic and rapidly growing construction company specializing in exceptional concrete contractor services with a core focus on stormwater structures, has been honored with the prestigious 2024 Hispanic Business of the Year Award by the [City of Austin](#). This recognition celebrates the company's outstanding achievements, contributions to the community, and exceptional growth in the construction industry.

The award, presented by the City of Austin, recognizes Hispanic-owned businesses that demonstrate leadership, innovation, and commitment to excellence in their respective fields. Rucoba & Maya Construction has

consistently exemplified these qualities, establishing itself as a trusted partner in the Texas construction sector while creating job opportunities and promoting local economic development.

Founded in 2008 by Rodolfo "Rudy" Rucoba and Florencio Maya, Rucoba & Maya Construction has earned a reputation for excellence in providing specialized concrete services, particularly in developing and installing stormwater structures. Since becoming a self-performing General Contractor in 2014, the company has successfully executed projects for Texas Government Agencies, contributing to critical infrastructure like highways and dam construction. With over a decade of experience serving Austin, San Antonio, Buda, Kyle, and San Marcos, the company has built a strong presence and established itself as a reliable and trusted partner in the public and private sectors.

"We are deeply honored to receive this recognition from the City of Austin," said Rodolfo "Rudy"

Rucoba, Co-Founder of Rucoba & Maya Construction. "This award is a testament to our team's hard work and dedication. Florencio and I started this business with a shared vision of excellence, and we've always been committed to providing superior construction services while fostering a culture of integrity and respect."

Florencio Maya, Co-Founder of Rucoba & Maya Construction, added, "Our success is built on the trust and relationships we've cultivated with our clients, partners, and the Austin community. We're proud to be able to contribute to the city's growth and look forward to many more years of success and collaboration."

Dr. Rafael Marrero, an executive advisor to Rucoba & Maya Construction and a nationally recognized expert in government contracting, emphasized that the company is preparing for significant growth in the U.S. Department of Transportation (US DOT) program as a [Texas Department of Transportation \(TxDOT\) Disadvantaged Business Enterprise \(DBE\)](#) and federal contractor. He noted, "This award is a recognition of the foundational work done by the founders and a confirmation that Rucoba & Maya is headed in the right direction. Their commitment to excellence is the cornerstone of their success, and we are excited for the next phase of their growth in the federal contracting space."

This recognition is another milestone in the company's journey as a leading construction firm in the region. Rucoba & Maya Construction looks forward to continued success.
