[Advisors](#), a trusted leader in senior living solutions specializing in helping seniors find ideal housing and community options to age in place with dignity and comfort, is making its mark in South Carolina with four new territories.

“

We are moving into 2025 strong, continuing to increase brand awareness, attract new franchisees, and provide outstanding support and training to our existing franchisees.”

Scott Miller, CEO

This expansion comes through a multi-unit agreement with Steven and Jessica Wylie, who will serve Seniors and community partners in Greenville, Rock Hill, Anderson, and Spartanburg.

Steven Wylie brings extensive franchise experience from his time as a franchise owner in the distribution field. Jessica Wylie complements this with her expertise as a Licensed Nursing Home Administrator, positioning them as a dynamic team to lead their markets' growth.

The agreement is part of a broader regional expansion strategy aimed at planting new territories across the Southeast. This latest sale follows another successful franchise deal earlier this year in Sarasota, Florida. According to Scott Miller, CEO of Senior Consulting Advisors, high-demand territories remain available in Florida, particularly along the east coast and around Naples.

"We are moving into 2025 strong, continuing to increase brand awareness, attract new franchisees, and provide outstanding support and training to our existing franchisees," said Miller.
