

Wound Care Market 2030 364.8 8.1%

Smith & Nephew plc BSN Medical (Svenska Cellulosa Aktiebolaget SCA)

TOKYO, JAPAN, December 13, 2024 /EINPresswire.com/ --

Wound care market is projected to reach 364.8 billion USD by 2030, growing at a CAGR of 8.1% from 2019 to 2030. The market is driven by the increasing prevalence of chronic wounds, the growing elderly population, and the rising incidence of surgical procedures. The market is segmented into acute care, long-term care, and home care. The acute care segment is the largest, followed by long-term care and home care. The market is highly competitive, with major players including Smith & Nephew, Cardinal Health, Organogenesis, Coloplast, Integra, Acelyt, Braun, Hollister, Mölnlycke, 3M, Medline, ConvaTec, Ethicon, and Hill-Rom.
