

ESource Academy Launches AI-Powered K12 & Beyond Tutor with STEM Support

ESource Academy unveils an AI tutor that offers unlimited tutoring support for students in kindergarten through college with emphasis on K12 and STEM.

BUFORD, GA, UNITED STATES,
December 17, 2024 /

EINPresswire.com/ -- ESource Academy is thrilled to announce the launch of its innovative AI-powered tutor designed to support learners from kindergarten through college, with a special emphasis on K12 & STEM subjects. This innovative tool aims to transform the educational landscape by providing accessible, high-quality tutoring at no cost to the first 100 LinkedIn subscribers who sign up and reside in the United States.

"As a parent and grandparent, I am particularly excited about this launch," said Joe DiDonato, President of ESource AI University and ESource Academy. "Our AI tutor is set to offer a cost-effective alternative to traditional tutoring services, which can range from \$15 to \$80 per hour, according to TutorCruncher's 2024 report on average tutoring rates."

“

Make this year's holiday gift-giving about education and unlimited access to high-quality tutoring."

The "ESource Academy's K12 & Beyond Tutor" costs \$19/month or \$190/year. The annual subscription includes two free months and reduces the cost to approximately \$16 per month. The monthly and yearly subscription plans provide students with unlimited hours of tutoring on multiple topics. The AI tutor is designed to eliminate the

financial barriers often associated with quality tutoring.

ESource Academy is offering a free annual subscription to the first 100 subscribers. In exchange for this complimentary one-year subscription, ESource Academy asks these participants to provide feedback to further refine and increase the AI-powered tutor's capabilities and effectiveness.

Interested individuals are encouraged to visit <https://esourceu.com/esource-academy/> to sign up for the free (pending availability) or paid subscriptions. "Let's make this year's holidays about education and unlimited access to high-quality tutoring," Joe DiDonato said, "We owe it to our children and our future."
