The two of them have a secret identity: heroines of justice, "Kaitou Tenshi Twin Angels"!

Enjoying school life during the day! At night, the angels fight against a huge conspiracy. Hazuki Kurumi grows and interacts with Tesla and Nine, who become her allies through battle. Haruka and her friends join forces to thwart the ambitions of the dark organization "Black Fund", but their joy is short-lived, as the treasure they just recovered, "Angel's Tears," is stolen again.

As they investigate this new conspiracy, they encounter two unknown Kaitou Angels...

The bond between Haruka and her friends, their great achievements, and the reason behind the birth of Twin Angels are revealed.
