

Restoration Doctor 24/7 Rapid Response Expands to Miami, Bringing Recovery Services to Hurricane-Stricken Homeowners

Restoration Doctor 24/7 expands to Miami, offering expert hurricane damage restoration to meet growing demand. Now serving homeowners 24/7.

VIENNA, VA, UNITED STATES, March 12, 2025 /EINPresswire.com/ -- [Restoration Doctor 24/7 Rapid Response](#), a leading provider of water damage restoration and emergency disaster recovery services, is proud to announce the opening of its newest branch in Miami, Florida. This marks the company's third location, following successful operations in Virginia and Washington D.C.

The expansion into South Florida comes as homeowners across the region continue to grapple with the long-term effects of recent hurricanes. With widespread water damage and structural issues still plaguing many properties, Restoration Doctor 24/7 Rapid Response aims to provide fast, professional restoration services to help residents rebuild.

"Our team was on the ground in Florida after the recent hurricane season, assisting homeowners with urgent water damage.," said Shoughi Darakshan, owner of Restoration Doctor 24/7 Rapid Response. "We saw firsthand the overwhelming need for reliable restoration services. That experience solidified our decision to establish a permanent presence in Miami, ensuring that homeowners and businesses have access to immediate, high-quality disaster recovery support."

Restoration Doctor 24/7 Rapid Response specializes in water damage restoration, storm damage repair, mold remediation, and emergency response services. With a 24/7 availability promise, the

company is equipped to handle disasters of all sizes, from minor leaks to large-scale flooding.

The Miami branch is now fully operational and operating as [Restoration Doctor of Miami](#), offering free damage assessments and rapid response teams for emergency calls. Homeowners in need of immediate assistance can contact the company via its Florida website at [restorationdoctorfl.com](#) or call 786-213-9489 for emergency service.
