

# Global Pest Management Wins 2024 Best of Georgia Award, Celebrating Family Values and Service Excellence

---

SUWANEE, GA, UNITED STATES, December 17, 2024 /EINPresswire.com/ -- Global Pest Management is the recipient of the 2024 Best of Georgia Award, a recognition that reflects this family-owned company's unwavering dedication to quality, community, and customer satisfaction. Founded by Jessica Shipp in 2016, Global Pest Management has grown from a one-woman operation to a trusted name across Metro Atlanta and the North Georgia area, driven by Jessica's commitment to service excellence and strong family values.

Jessica's pest control journey began during childhood when she accompanied her father on service calls. Those experiences taught her the importance of going above and beyond for customers, a principle that has since become the core of Global Pest Management. "Customer satisfaction has always been at the heart of our work," Jessica says, sharing her philosophy of customer-first service as her business' foundation.

Today, Global Pest Management offers a comprehensive range of pest control solutions designed to protect homes from pests of all kinds. From general pest control and termite treatments to mosquito control, roach treatments, rodent exclusion, animal trapping, snake removal, and many more, Jessica and her team bring reliable, high-quality service to every job. "We're here to solve any pest issue with professionalism, reliability, and a smile," she shares, emphasizing the friendly approach Global Pest Management is known for. The company's methods and products are top-notch, combining thorough, affordable solutions with proven industry practices.

Global Pest Management also carries a meaningful tribute in its identity: Jessica outfitted the team in army green and tan uniforms in honor of her late husband, a military veteran, symbolizing their commitment to service excellence. Winning the Best of Georgia Award, awarded by customer votes at Gbj.com, is an honor Jessica and her team hold close, representing the trust North Georgia residents place in them.

"We're so grateful to our customers for this recognition," Jessica says with pride. "Their support is truly at the core of everything we do, and we're honored to be recognized." For Jessica and her team, the 2024 Best of Georgia Award is more than just a milestone—it's a declaration to the dedication, hard work, and values that drive Global Pest Management's continued success in the community.
