

VLink Inc celebrates Certified™ Great Place to Work® win for the 2nd time in two years

Great Place To Work®, a global institute on workplace culture, has recognized VLink as a great workplace 2 years in a row!

SOUTH WINDSOR, CT, UNITED STATES, December 17, 2024 /

EINPresswire.com/ -- Great Place to Work® is the global authority on workplace culture. Since 1992, they have surveyed more than 100 million employees worldwide and used those deep insights to define what makes a great workplace: trust. Their employee survey platform empowers leaders with the feedback, real-time reporting, and insights they need to make strategic people decisions.

VLink [CEO, Sharad Patney](#) says "I'm honored to have received this award two times, our people are our most valued asset. Businesses that prioritize people at their core are the ones that truly earn success. A heartfelt thank you to our incredible employees for their dedication and effort in delivering award-winning results. This recognition reinforces VLink as not only a great place to work but also a trusted partner for business success!"

“

I'm honored to have received this award two times, our people are our most valued asset. Businesses that prioritize people at their core are the ones that truly earn success.”

VLink CEO, Sharad Patney

The Institute will soon upload the full list of Great Place to Work® 2024-25 winners on its official website.

The Great Place to Work® Institute's research shows that great workplaces are characterized by great leadership,

consistent employee experience, and sustainable financial performance. Their leaders believe in the vision of creating and sustaining a great place to work for all and role models for all leaders.

The [Great Place to Work® recognition](#) is the most coveted and respected in the world for elevating employer brands to attract the right people. Their proprietary methodology and

platform enables organizations to truly capture, analyze, and understand the experience of all employees through an employee survey.

Patney says creating a “Great Place to Work®” involves bringing out the best in employees by developing “Human Capital” citing that’s how the award was won. Participating companies are assessed on their credibility, respect, fairness, pride, and camaraderie in their workplace culture.
