Manager of Confidential
Recovery*

allow Confidential Recovery to increase the accessibility of caring and effective evidence-based treatment to more individuals in the San Diego area.

Confidential Recovery, which celebrated its 10th Year Anniversary in October, has demonstrated an ongoing commitment to provide access to as many people in San Diego as possible. Being 'in-network' with Anthem Blue Cross is an example of this commitment to battling addiction in San Diego. Their outpatient program is offered in the afternoons and evenings, on weekends, and can be accessed remotely (via video conference).

Scott H. Silverman, Founder and CEO of Confidential

Recovery, says "When we started Confidential Recovery in 2014, our vision was to help as many people recover from addiction as possible. Our relationship with Anthem Blue Cross is a pivotal step in our mission to provide comprehensive, compassionate, and most importantly, accessible addiction treatment."

Confidential Recovery provides [intensive outpatient drug rehab](#) for adults in San Diego, including many veterans and first responders. Navy Veteran [Jay Wylie](#), the Operations Manager says, "We believe that financial barriers should not prevent anyone from getting life-saving addiction

treatment. Accepting Anthem Blue Cross insurance will help us reach more people who need our support."

Confidential Recovery helps adults (18+) find recovery through a variety of evidence-based treatment modalities designed to improve overall quality of life during sobriety. Treatment consists of group and one-on-one therapy.
