

Durham School Services Donates Bus to Freewill Baptist Church in Kansas for Community Events Transportation

WELLINGTON, KS, UNITED STATES, December 17, 2024 /EINPresswire.com/ -- Durham School Services (DSS), a student transportation leader committed to serving and giving back to its communities, has donated a school bus to Freewill Baptist Church to use for transportation to community events.

Thus far, the church has utilized the donated bus for several local trips to community events, concerts, church services, and even an out-of-state youth retreat to Oklahoma. Most recently, for the holiday season, the church utilized the bus for a Christmas Home Tour and has plans to go Christmas Caroling at local nursing homes around the community to spread holiday spirit and cheer.

"We are so grateful to be able to provide transportation for our church and community! It's been a huge blessing to our church," said Pastor Zane Brooks, Freewill Baptist Church. "Having this bus has allowed for a much more comfortable experience for everyone while traveling to community events. Thank you again for Durham's generosity. Numerous people have benefited from such a kind gift, and we are all very grateful!"

"As a partner of the Wellington community, we are glad to have had this opportunity to fulfill a transportation void in the community with this bus donation to the Freewill Baptist Church," said Heather Helpingstine, General Manager, Durham School Services. "When community outreach opportunities present themselves, I am extremely proud to say that our team is always more than willing to step up and give back. This bus donation is an example of that fact. We are happy to be able to offer a helping hand to another partner in the community with whom we respect greatly and does so much for the Wellington community."
