“

At Allay Health and Wellness, we're not just treating symptoms—we're transforming lives by empowering healing and hope from the inside out”

Katy Redfield ARNP

Redfield's session, titled "Empowering Transformation: The Role of Ketamine in Facilitating Change and Provider Responsibility," will be held from 10:15 AM to 11:00 AM. This highly anticipated presentation will delve into the transformative potential of ketamine therapy, its role in addressing treatment-resistant conditions, and the ethical responsibility of providers in ensuring safe, effective, and compassionate care.

Ketamine has gained widespread recognition as a groundbreaking treatment for mental health challenges, [chronic pain](#), and addiction recovery. Its unique mechanism promotes neural plasticity, enabling the brain to heal and adapt more effectively. This rapid-acting therapy offers hope for individuals who have struggled with

traditional treatments, providing relief for conditions such as depression, PTSD, anxiety, and chronic pain.

“Allay Health and Wellness is at the forefront of integrating ketamine therapy into holistic treatment plans,” said Katy Redfield, ARNP. “At the ASKP3 conference, I’m honored to share insights on how this innovative approach not only transforms patient outcomes but also requires a profound commitment to ethical care and provider responsibility.”

Allay Health and Wellness focuses on four critical areas of care:

Mental Health: Ketamine therapy provides rapid and life-changing relief for those with treatment-resistant depression, PTSD, and anxiety disorders.

Chronic Pain: Conditions like fibromyalgia, migraines, and neuropathic pain are alleviated through ketamine’s ability to modulate pain pathways.

Well-Being: Beyond treating illness, ketamine fosters personal growth, emotional resilience, and an enhanced sense of well-being.

Addiction Recovery: By addressing the psychological and physical dimensions of addiction, ketamine therapy supports individuals on their journey to lasting recovery.

Katy Redfield, ARNP, brings a wealth of knowledge and experience to the ASKP3 Conference. As a key member of Allay Health and Wellness, she has been instrumental in advancing the clinic’s mission to provide compassionate, cutting-edge care. Her presentation will offer valuable insights into the potential of ketamine therapy and the responsibilities of providers to deliver ethical, patient-centered care.

The American Society of Ketamine Physicians, Psychotherapists, and Practitioners Conference is a must-attend event for anyone involved in the field of mental health and wellness. Join Allay Health and Wellness and Katy Redfield, ARNP, on January 25 for an engaging discussion on how ketamine therapy is shaping the future of care.
