

Sayers Renews and Expands SOC 2 Type II Attestation

This independent audit further verifies Sayers internal controls and processes.

VERNON HILLS, IL, UNITED STATES, December 17, 2024 /EINPresswire.com/ -- Sayers, a leading [IT solutions and services provider](#), announced the successful renewal and expansion of its SOC 2 Type II audit conducted by [KirkpatrickPrice](#). This attestation highlights our dedication to security and our commitment to delivering high-quality services by ensuring robust internal controls and processes are firmly in place.

A SOC 2 audit offers independent, third-party confirmation that a service organization's information security practices align with the rigorous standards established by the AICPA. During the audit, Sayers has expanded their Trust Services Criteria (TSC) beyond security to include availability and confidentiality. The SOC 2 attestation from KirkpatrickPrice validates that our internal controls are effectively designed and operating to meet these criteria.

"At Sayers, maintaining the highest standards in information security is integral to our operations. The expanded SOC 2 Type II audit verification from KirkpatrickPrice strengthens our ability to deliver trusted, customized IT and cybersecurity solutions to our clients.," said Chris Callahan, President & CEO of Sayers.
