

# Christine Jiyoun Joins Code Charley Team to Lead SEO Strategy for Nexys

---

Flushing, NY – Code Charley is pleased to announce the addition of Christine Jiyoun to its team. Christine brings extensive marketing and search engine optimization (SEO) expertise, further strengthening Code Charley’s capabilities in delivering cutting-edge digital solutions. As part of her role, Christine will spearhead the SEO strategy for Nexys, ensuring enhanced online visibility and impactful engagement. Nexys, a leading provider of loan origination software, will benefit from Code Charley’s innovative approach to optimizing digital performance. This collaboration highlights Code Charley’s commitment to leveraging top-tier talent and tailored strategies to drive measurable results for its clients in competitive markets.

“Working with Christine Jiyoun has been a game-changer for Code Charley. Her expertise in SEO marketing has significantly boosted our clients’ online visibility and driven organic traffic like never before. Christine’s meticulous approach to optimizing website content, keywords, meta tags, and structure ensures that our web development projects deliver top-tier search engine performance. We couldn’t be more satisfied with her results-driven strategies and collaborative spirit. Highly recommended!” said a spokesperson for Code Charley.

Christine Jiyoun has earned an impressive reputation in the industry as a highly skilled SEO marketing consultant known for her ability to drive impactful results through strategic optimization and innovative digital marketing practices. With a focus on employing a meticulous approach that drives visibility, authority, and meaningful client engagement, Christine ensures website content is not only relevant but also highly effective in attracting targeted traffic.

Some of Christine Jiyoun’s SEO Expertise for Code Charley includes:

**Keyword Targeting:** Identifying and focusing on key search terms that real estate and financial services customers frequently use to boost online visibility.

**Content Development:** Designing compelling and informative content that emphasizes the strengths and unique offerings of Nexys, Nextres, and Finresi to attract and engage target audiences.

**Local Search Optimization:** Utilizing local SEO strategies for Nextres to dominate nearby search results and connect directly with its community.

**Technical Site Optimization:** Improving site performance, speed, and user experience through backend enhancements, key elements for higher search engine rankings.

With expertise in enhancing website content, keyword targeting, meta tag optimization, and site structure, Christine leverages data-driven insights, advanced AI tools, and targeted keyword optimization to help businesses achieve strong search engine visibility and increased organic traffic.

Christine Jiyoun invites individuals interested in learning more about her digital solutions and
