

Endless Life by Li-Hsuan Chen Wins Iron in A' Interior Design Awards

Li-Hsuan Chen's Innovative Residential Design Recognized with Prestigious A' Design Award in Interior Space and Exhibition Design Category

COMO, CO, ITALY, December 18, 2024 /EINPresswire.com/ -- The A' [Design Award](#), one of the world's most respected design competitions, has announced [Li-Hsuan Chen's](#) "Endless Life" as a winner of the Iron A' Design Award in the [Interior Space and Exhibition Design](#) category. This prestigious recognition highlights the significance of the "Endless Life" project within the interior design industry, celebrating its innovative approach and exceptional execution.

The "Endless Life" design by Li-Hsuan Chen showcases the transformative power of interior design, demonstrating how thoughtful use of space, materials, and natural elements can enhance the living experience. This award-winning project serves as an inspiration for interior designers, architects, and homeowners seeking to create harmonious, functional, and aesthetically pleasing living spaces that seamlessly integrate with the surrounding environment.

Li-Hsuan Chen's "Endless Life" stands out for its open plan layout that transforms the space's challenges into strengths. The central staircase, crafted from a combination of terrazzo and marble, serves as a serene and sensible highlight, while the interweaving of iron and marble in the openwork staircase connects the living and dining areas with the large floor-to-ceiling windows, inviting the changing seasons inside. The designer skillfully incorporated natural elements into the work, utilizing wood-grained architectural concrete to preserve natural traces and maximize natural light, resulting in a calm and subtle atmosphere.

The recognition of "Endless Life" by the A' Design Award serves as a testament to Li-Hsuan Chen's exceptional design skills and dedication to creating spaces that inspire and enhance the human experience. This achievement is expected to further motivate the designer and their team to continue pushing the boundaries of interior design, exploring new ideas, and setting new standards for the industry.

Li-Hsuan Chen, the visionary behind "Endless Life," is the sole designer credited for this award-winning project.

About Li-Hsuan Chen

Li-Hsuan Chen is a talented interior designer based in Taiwan, China, known for their innovative and thoughtful approach to design. With a keen eye for detail and a deep understanding of the interplay between space, materials, and natural elements, Li-Hsuan Chen consistently creates interior spaces that are both functional and visually captivating, enhancing the living experience for their clients.

About A' Design Award

The Iron A' Design Award is a prestigious recognition granted to interior designs that demonstrate a solid understanding of design principles, creativity, and practical innovation. Recipients of this award are acknowledged for their contributions to the interior design field, providing solutions that improve quality of life and foster positive change. The award-winning designs are selected based on rigorous professional and industrial standards set by the A' Design Awards, which involve a blind peer-review process and evaluation by a world-class jury panel of design professionals, industry experts, journalists, and academics.

About A' Design Award

The A' Interior Space, Retail and Exhibition Design Award is a highly regarded competition that promotes excellence and innovation within the interior design industry. Welcoming a diverse range of participants, from visionary designers to influential brands, this award provides an opportunity for entrants to showcase their creativity, gain international recognition, and be acknowledged for their superior design capabilities. By participating in this prestigious award, designers and brands can contribute to advancing the interior design industry and inspiring future trends. The A' Design Award, now in its 16th year, is an international and juried design competition open to entries from all countries and organized across various industries. Its ultimate aim is to recognize and promote superior products and projects that positively impact the global community, driven by a philanthropic mission to create a better world through the power of good design.
