

Starmax Showcase New GPS Smart Watch at CES 2025 in Las Vegas from January 7-10, 2025

Starmax will attend CES 2025 in Las Vegas from Jan 7 to 10. Attendees can get a sneak peek at its new GPS watches, AMOLED watches and other hot-selling models.

SHENZHEN, CHINA, December 18, 2024 /EINPresswire.com/ -- [Starmax Technology](#), a national high-tech enterprise specializing in the manufacturing of smart wearable devices, will participate in the Consumer Electronics Show (CES) 2025 in Las Vegas, Nevada from January 7 to 10, 2025. It'll showcase its latest GPS watches, AMOLED smart watches, and other hot-selling smartwatches and fitness tracker at the show.

The Consumer Electronics Show (CES) is an annual event where global brands unveil their latest products and technologies. CES 2025 will highlight advancements in Artificial Intelligence (AI), extended reality (XR), vehicle tech, gaming, digital health, and more.

"With increasing focus on both physical and mental health, digital health products like smartwatches and fitness trackers have become popular tools for monitoring workouts and better health management", said Starmax's VP, David W, "Runmefit is a brand of Starmax to empower people worldwide to take charge of their health and fitness with tools to elevate wellness every step of the way. So we're pleased that we are going to participate in CES 2025 this time."
