Intelligent Waves*

solution. IW's SHADOW enhances the security posture of your enterprise environment by autonomously finding exploitable weaknesses in your network, providing in-depth risk assessment, clarifying critical impacts, verifying fixed actions, and resolving vulnerabilities.

For over 20 years, TMC has recognized technology companies with awards across various categories. These awards are regarded as the most prestigious honors worldwide in the communications and technology sectors. Winners represent key players in the market who consistently show technological advancement. Each

recipient is a verified leader in the industry.

“Congratulations to Intelligent Waves for being honored with the 2024 Cybersecurity Excellence Award for its innovation in cybersecurity. IW has shown exceptional quality and delivered measurable, tangible results for its users,” stated Rich Tehrani, CEO of TMC.

Intelligent Waves' CEO Tony Crescenzo noted, “It is an honor to be acknowledged with the 2024 Cybersecurity Award. This recognition reflects our commitment to innovation in cybersecurity and delivering high-impact, mission-focused solutions for our government customers.”
