“We are incredibly honored to become a ServiceTitan Titanium Partner, a milestone that reflects the hard work, expertise, and commitment of the entire Titan Pro Technologies team,” Charlie Vecchio, CEO of Titan Pro Technologies, said. “In just one year, we’ve gone from Silver to Titanium—a remarkable achievement that highlights the dedication of our employees and the trust of our clients. This accomplishment wouldn’t have been possible without our amazing team and the incredible clients who believe in

what we do.”

ServiceTitan, the leading software platform for the trades, has revolutionized how home and commercial service companies operate. The company recently celebrated its IPO, achieving

tremendous success in the stock market and further cementing its position as an industry leader. As a Titanium Partner, Titan Pro Technologies is part of an elite group of organizations recognized for their ability to deliver transformative results for ServiceTitan customers.

Titan Pro Technologies specializes in helping businesses maximize the potential of their ServiceTitan platforms. Through expert guidance and customized strategies, the company optimizes over 100 aspects of the software, including pricebook management, marketing campaigns, dynamic pricing, reporting, and operational efficiency. By transforming ServiceTitan from a tool into a strategic advantage, Titan Pro Technologies empowers businesses to scale, increase profitability, and deliver superior customer experiences.

Titan Pro Technologies Honored as Titanium Partner with ServiceTitan

"This recognition inspires us to continue raising the bar in the year ahead," Vecchio added. "We're proud of the trust and collaboration we've built with ServiceTitan, and the opportunities that come with this new tier, including participating in Pantheon, are exciting. We are deeply grateful for the invitation and the ongoing support of the ServiceTitan team. Together, we look forward to even greater success in 2025 and beyond."

The Titanium Partner status not only reflects Titan Pro Technologies' expertise but also underscores the company's dedication to staying at the forefront of industry innovation. By leveraging its deep understanding of ServiceTitan and its clients' unique needs, Titan Pro Technologies delivers tailored solutions that drive growth and efficiency.

For businesses in the trades, having a well-optimized ServiceTitan platform can be the difference between stagnation and extraordinary success. Titan Pro Technologies ensures clients can unlock the full power of ServiceTitan, helping them achieve operational excellence and industry leadership.
