School, a leading provider of early childhood education in the San Francisco Bay Area, is excited to announce the opening of its newest campus in [Moraga](#), California. Families can now look forward to innovative [daycare](#), preschool, and kindergarten programs that combine the Montessori method with a play-based approach focused on STEM (Science, Technology, Engineering, and Math). Located at 1695 Canyon Rd. in Moraga, California, this state-of-the-art facility is now ready for students.

Kiran Grewal, Co-Founder of Learn And Play® Montessori, explained: “We are excited to bring our Montessori plus STEM methodology to the beautiful community of Moraga. Our program inspires curiosity, creativity, and a passion for learning in children as young as 18 months. We believe that education is an investment in the future, and we are dedicated to creating a dynamic, nurturing environment where children can thrive.”

Interested parents and guardians can check out the newly updated content at <https://www.learnandplaymontessori.com/moraga/>. The Moraga campus offers a comprehensive range of programs tailored to the unique needs of young learners. The daycare program provides a nurturing environment where children aged 18 months to 3 years are encouraged to explore and develop early cognitive and social skills through hands-on, STEM-focused activities. The preschool curriculum integrates foundational learning in math, science, and language with play-based exploration, fostering problem-solving and critical thinking. For kindergarten-aged children, the program introduces collaborative STEM projects and age-appropriate technology, preparing them for future academic success while nurturing independence and confidence. The campus’s thoughtfully designed classrooms and spacious outdoor areas provide an ideal setting for children to grow academically, socially, and emotionally.

MORAGA CALIFORNIA EARLY EDUCATION NEEDS

Moraga is known as an affluent community in the East Bay with many two-income households; such households are often overjoyed at the top-quality Montessori- and STEM-focused educational programs that help kids acquire a foundation for lifelong learning at the earliest ages. As a town steeped in history and natural beauty, Moraga provides the perfect backdrop for Learn And Play Montessori's unique educational approach. The campus reflects the community's commitment to enriching the lives of its youngest residents, offering a blend of academic excellence and opportunities for outdoor exploration. Enrollment is now underway, and spaces are filling quickly. Families are encouraged to book a campus tour to experience firsthand the dynamic learning environment and meet the dedicated educators at the Moraga campus.
