

Shannon Global Energy Solutions Joins TopBuild Family of Companies

BUFFALO, NY, UNITED STATES,
December 19, 2024 /

EINPresswire.com/ -- Shannon Global Energy Solutions (Shannon GES) is proud to announce that it has joined forces with the [TopBuild](#) family of companies as part of its Distribution International (DI) division.

“Our high-quality engineered products, diverse customer base and unique applications at Shannon, were

attractive to TopBuild and a natural fit to complement and enhance their Specialty Distribution business segment. Shared expertise and resources between our companies will strengthen our abilities to provide for our customers”, said Frank Kovacs, CEO of Shannon GES.

TopBuild Corp. is a leading installer and distributor of insulation and related products to the construction industry and industrial end-users. Its Installer network includes 240 locations and its Specialty Distribution network encompasses approximately. 170 branches.

Shannon Global Energy Solutions – manufacturing leader

Shannon Global Energy Solutions, with its 36+ year reputation in the industry, will retain their company name and brands. “This brand was built to impeccable standards and the insulation industry, as a whole, recognizes it as the hallmark of quality products and service”, remarked Joe Lauria COO of Shannon GES.

Frank Kovacs will lead the integration along with the Shannon GES management team. Joe Lauria will continue as Vice President and Chief Operations Officer. Operations will remain at their current location.

Mr. Kovacs said, “We are the industry innovator and problem solver, this will not change. Our goal remains clear, to achieve \$1 Billion in Energy Saved, with the support of TopBuild Corporation to grow and scale further our capabilities.”

Looking Forward

Shannon GES and its employees remain committed to maintaining their long-term client relationships and enhancing their systems to meet future growth. All Shannon GES employees are focused on customer needs and will be dedicated to delivering the best products and service in the industry.
