## A Trusted Partner for Busy Legal Teams

High-volume legal practices often struggle with time-consuming administrative tasks like filing court documents, preparing subpoenas, or coordinating messenger deliveries. Delays or errors in these processes can disrupt critical case timelines and lead to costly legal challenges.

On-Call Legal Process Servers bridges these gaps with a suite of services that ensure efficiency, accuracy, and compliance:

Nationwide Process Servers: Reliable, compliant service of legal documents within 24 hours or less.

Court Filing and eFiling: Timely filing of court documents through electronic or in-person methods.

Subpoena Preparation and Service: Comprehensive subpoena drafting, serving, and compliance management.

Full Range of Legal Support Services  
On-Call Legal Process Servers offers a robust selection of legal support solutions, designed to address the needs of large and multi-jurisdictional firms:

Court Filing and eFiling: Filing legal documents promptly, whether electronically or in-person, to meet jurisdictional deadlines.

Courtesy Copy Delivery: Delivering

courtesy copies directly to courtrooms or judicial departments, with expert knowledge of court-specific requirements.

Process Servers: Nationwide service of process handled with precision and compliance.

Subpoena Preparation and Service: Preparing and serving subpoenas while ensuring all legal requirements are met.

Document Research and Retrieval: Locating and retrieving any court document in the U.S. through experienced court researchers.

Concierge Support: Personalized assistance from litigation specialists to handle unique or complex legal service needs.

Photocopying Services: From trial binders to Bates labeling, On-Call provides full-scale document reproduction for court use.
