[\(December 2024\)](#), is proud to

announce the upcoming release of her new book, *Stock Market Mama: How to Use Stock Investment Profits to Eliminate Motherhood-Related Income Interruption*. Set to launch on January 31st, 2025, this book equips working women with the tools they need to achieve financial security through a DIY approach to stock investing, empowering them to navigate the financial challenges of motherhood with confidence.

Motherhood often brings joys and challenges, particularly for working women balancing careers and family responsibilities. *Stock Market Mama* directly addresses the reality of motherhood-related income interruptions, which can impact mental health, financial security, and family well-being.

"When income stops, life doesn't. But with the right tools, you can create lasting financial security as a working woman, irrespective of what motherhood throws at you." shares Dr. Linda.

As the first book to specifically address the intersection of motherhood and stock investing, *Stock Market Mama* offers practical strategies to mitigate income interruptions through investing. The book serves as a guide not only for mothers but for all working women looking to
