What are the primary growth drivers in the Child Day Care Services Market?

One of the major drivers for this industry is the expected increase in the women's employment rate during the forecast period. For instance, the share of women in the labor force in the USA is expected to increase to 47.2% in 2024, driving the demand for on-site childcare facilities in corporates. Government initiatives encouraging women to work will also support the rise of the on-site child care market, directly contributing to the market growth.

Who are the key industry players in the Child Day Care Services Market?

The child day care services market report highlights several prominent companies operating in the industry. These include KinderCare Education LLC, Learning Care Group, The Learning Care Group Inc., Bright Horizons Family Solutions Ltd., G8 Education Limited, Cadence Education LLC, Primrose School Franchising Company, La Petite Academy Inc., The Learning Experience, Kiddie Academy Domestic Franchising LLC, JP Holdings Company Inc., and several others.
