

KT Cap Consulting and Simplessa formalized collaboration through MoU signing

Singapore based KT Cap Consulting (KTCC) is pleased to announce the signing of a Memorandum of Understanding (MoU) with PT Simplessa Teknologi Indonesia.

SINGAPORE, SINGAPORE, December 20, 2024 /EINPresswire.com/ -- On Dec 17, 2024, KT Cap Consulting announced its partnership with Indonesia based PT Simplessa Teknologi Indonesia aims to strengthen cooperation and collaboration in the field of fintech, cyber insurance & healthtech.

Speaking at the virtual event, Kenny Thing, Founder & Managing Partner, KTCC said: "We would like to thank Simplessa for their dedication and support in bringing this MoU to fruition. Working in collaboration with Simplessa means that we can introduce and develop new digital proposition for Indonesia based clients"

As part of this partnership, KTCC will introduce a series of new technologies proven in other countries through Simplessa with a view of forming a new JV Company in Indonesia to further develop these technologies.

KT Cap Consulting is a leading boutique management consultancy headquartered in Singapore with operations in Malaysia, Mongolia and Thailand, and invests in technology start-ups mainly in finance/healthcare and human resources that add value to its portfolio of clients in SEA.

This partnership is a pivotal step in advancing healthcare technology in Indonesia, said Yuri Andrianov, COO of PT Simplessa Teknologi Indonesia. "By combining KTCC's global expertise with our in-depth knowledge of the Indonesian market, we are committed to delivering innovative solutions that meet the rising demand for efficient healthcare management and insurance services. Our data-driven approach and focus on medical cost optimization will be key drivers of

Yuri Andrianov, COO of PT Simplessa Teknologi Indonesia

value in this collaboration”

PT Simplessa Teknologi Indonesia is a prominent technology company in Indonesia, dedicated to delivering integrated solutions for healthcare and human resource management. By utilizing advanced data analytics and standardized medical terminology, the company empowers organizations to optimize healthcare costs and enhance the efficiency of claim management processes. Simplessa's cutting-edge platform seamlessly integrates HR system functionalities with advanced medical claim analytics, enabling data-driven decision-making and offering comprehensive healthcare cost management solutions for corporate clients nationwide.

The MoU is initially set to be in force for one year.

About PT Simplessa Teknologi Indonesia
