“

For the first time ever, The Jesus Gospel combines Matthew, Mark, Luke and John in an easy-to-read chronology. A biography of Jesus, blended into a single, complete timeline, ONLY using Scripture”

Gary Scarano

For the first time ever, The Jesus Gospel offers readers a complete, verse-by-verse timeline of Jesus’ life. This unique work makes it easier for readers to experience the full story of Jesus, as told in the Bible without the need to piece together the four separate accounts. Scarano’s approach aims to make the life of Christ accessible and understandable, blending the Gospels into one unified story.

Gary says: “Now, for the first time ever, The Jesus Gospel, combines Matthew, Mark, Luke, and John into an easy-to-

read chronology... A biography of Jesus, blended into a single, complete timeline.”

The Jesus Gospel offers a fresh perspective on the life of Christ—one that will resonate with anyone seeking a deeper understanding of His-story.

Scarano, a Christian writer and Bible study teacher, was inspired to create this book after struggling with the challenges of reading about Jesus from multiple accounts. Now, through The Jesus Gospel, he offers readers an easy and insightful way to experience Jesus' life as one continuous story.
