

# Florida Mesothelioma Victims Center Appeals to the Loved Ones of an Auto Mechanic with Just Diagnosed Mesothelioma or Lung Cancer in Florida to Call the Gori Law Firm-Hire Better Lawyers-Get Better Compensation

ORLANDO , FL, UNITED STATES, December 24, 2024 /EINPresswire.com/ -- The Florida Mesothelioma Victims Center is appealing to the loved ones of an auto mechanic who has just been diagnosed with mesothelioma or lung cancer in Florida to call the Gori Law firm at 866-532-2106-especially if the mechanic specialized in doing auto brakes, clutches and transmission rebuilds before the mid-1980s. These types of workers might have had continuous exposure to asbestos because these types of automotive products almost always contained asbestos before the mid-1980s. The Gori Law Firm has an office in Orlando.

The group says, "We have been helping people with mesothelioma and or asbestos exposure lung cancer for nearly two decades and we have assisted numerous auto mechanics and based on our experience they almost always greatly undervalue the potential of their financial compensation claim. Some of these types of workers with mesothelioma, as an example, think their compensation might only be around ten thousand dollars. Actually, it might be a few million dollars. For asbestos exposure lung cancer compensation might exceed one hundred thousand dollars. The lawyers at the Gori Law Firm will know.

"If your husband or dad is a former auto mechanic with mesothelioma or lung cancer in Florida, please get serious about compensation and call the Gori Law Firm at 866-532-2106. The Gori

Law Firm has no equal in Florida."
