

# Whiskey River Road Unveils a Soon-to-Be Christmas Classic: 'Santa's Truck'

*Whiskey River Road Rolls Out a Holiday Hit: 'Santa's Truck'*

OCALA, FL, UNITED STATES, December 21, 2024 /EINPresswire.com/ -- Just in time to light up your holiday playlist, the [Whiskey River Road](#) Studio Band is thrilled to release their latest Christmas single, "[Santa's Truck](#)", written and produced by [JC Marshal](#) who is also found playing keyboards on the song. This toe-tapping, feel-good country song captures the magic of Christmas Eve through the eyes of a young girl who spies none other than Santa himself trading in his sleigh for her daddy's big red truck!

In a world filled with serious headlines, "Santa's Truck" offers a refreshing escape that's all about joy, family, and the wonder of Christmas. With its playful storyline, lively beats, and irresistible charm, the song is a celebration of the season that will have listeners young and old singing along.

"This year, we wanted to create something that's pure fun and captures the spirit of Christmas in a way that everyone can enjoy," says JC Marshal, songwriter and producer. "The idea of Santa jumping into a big red truck with reindeer in tow just makes you smile. It's a song about imagination, nostalgia, and the magic of the holidays."

The band's very first single features vibrant vocals and a catchy chorus that's sure to become a seasonal favorite:

I saw Santa driving Daddy's truck,  
Is he out for a joyride, is his sleigh just stuck?

New Christmas Single

Reindeer in the back, all ready to go,  
Ohhh Mama, tell me now – Does Daddy Know?

Accompanied by a cover image depicting Santa at the wheel of a decked-out red truck, "Santa's Truck" is as visually delightful as it is musically captivating. Whether you're decorating the tree, wrapping gifts, or sipping hot cocoa by the fire, this song is the perfect soundtrack to set the holiday mood.

Where to Listen:

"Santa's Truck" is now available on all major streaming platforms, including Alexa, Amazon Music, Spotify, Sound Cloud, Pandora, iTunes, and many other listening platforms.
