“

Being #1 on the aBreak58 is an achievement and a blessing, but also a commitment to continue giving our best for God, fans, family, and ourselves in the future”

“It’s unbelievably hard to create a good-vibe song these days in a constantly changing society, which really made the writing of this collab a journey,” said Noah-Benedikt. “With ‘Wonderland Sight’, we tried our best to spread this vibe in a pop tune, letting everyone break free from daily struggles and routines.”

“Seeing this tune go to the top of the world’s leading artist discovery platform is a feeling that’s quite hard to describe,” added Melissa Mandy. “On the other hand, it’s a signal that good vibes spread and are well received by our

international friends and fans.”

“I would have never imagined this tune would become Meli’s first and my second chart-topper, though I’ve always believed in the project,” concluded Noah-Benedikt. “Being #1 on the aBreak58 is an achievement and a blessing, but also a commitment to continue giving our best to God, fans, family, and ourselves in the future.”

Every two weeks, aBreak Music releases their aBreak58 playlist featuring the Top 58 songs uploaded from indie artists representing multiple genres from around the world. These songs are then rotated on what has become the leading radio station for indie artists, the aBreak58.

“Noah-Benedikt is as creative as any emerging artist I’ve come across,” said Bruce Tyler, CEO of aBreak Music. “His talents, including his ability to find and work with extreme talent like Melissa Mandy, are beyond far ranging. Jay Stevens, our entire music team, and I wholeheartedly believe Noah-Benedikt and Melissa Mandy represent international talent at its finest. Their future is now!”
