

Horng Shan House by Sheng-Tien Hung Wins Iron A' Design Award in Interior Space and Exhibition Design Category

Sheng-Tien Hung's Innovative Residential Interior Design Recognized with Esteemed A' Design Award

COMO, CO, ITALY, December 23, 2024 /EINPresswire.com/ -- The A' Design Award, a highly respected recognition in the design industry, has announced [Sheng-Tien Hung's](#) "Horng Shan House" as the recipient of the Iron A' Design Award in the [Interior](#) Space and Exhibition Design category. This prestigious accolade highlights the exceptional creativity, innovation, and functionality of Horng Shan House, positioning it as a noteworthy contribution to the field of interior design.

The Iron A' Design Award for Interior Space and Exhibition Design is particularly significant as it recognizes designs that not only showcase aesthetic excellence but also demonstrate practical solutions that enhance the quality of life for users. Horng Shan House's recognition underscores its relevance to current trends and needs within the interior design industry, aligning with the highest standards of design practice.

Horng Shan House stands out for its innovative use of ultra high-performance concrete (UHPC) to create curved ceilings and wall surfaces reminiscent of poetic melodies. The spacious, open living space draws inspiration from modernism and contemporary minimalist poetry, featuring large windows that provide ample natural light and enhance the warm, modern aesthetic. The design's simplicity, influenced by the owners' love for reading and innovation, is complemented by modular cabinetry in Morandi blue and pink, infusing the space with a fresh, elegant, and sophisticated ambiance.
