

AI Academy Offers Instant Download of K-12 Tutor Software for Holiday Gifting – Free Subscriptions Still Available

First 100 subscriptions are free - After that, they're \$19/month or \$190/year, which includes 2 free months - Compare to \$15-\$80 per hour average tutor rates.

BUFORD, GA, UNITED STATES,
December 23, 2024 /

EINPresswire.com/ -- ESource Academy has announced the availability of its [K-12 Tutor](#) subscription as an instant download, providing an accessible educational resource for students across grade levels. Free subscriptions remain available for a limited time but are being claimed quickly. Joe DiDonato, the president of ESource AI University and its younger-student-facing entity, ESource Academy, said, "For those parents looking for a last-minute holiday gift, the K-12 tutor is an instant download, and we still have free subscriptions available for those families short on cash this holiday season."

The K-12 Tutor is designed to support kindergarten through 12th-grade students with interactive and tailored learning tools. The platform offers a flexible option for families seeking academic support without requiring extensive setup or shipping delays. According to industry statistics, the company went on to say that the platform is an economic alternative to live tutors who charge \$15 to \$80 per hour.

Key Details:

- Instant Access: Subscriptions are delivered immediately via download.

- Simplified Gifting: Users can register with a child's first name (or pseudonym) and an initial for the last name. Renewal notifications will be sent to the provided email address.

- Additional Information: A detailed brochure with demonstration videos is available here: <https://heyzine.com/flip-book/K12Tutor.html>

- Sign-Up Page: Free subscriptions can be secured at <https://esourceu.com/esource-academy/>

This initiative aligns with ESource Academy's commitment to providing accessible and effective educational tools to families and students.
