

# Jumbula Launches SmugMug Integration to Enable Photo Sharing with Users

*Jumbula introduces SmugMug Integration, offering program operators a seamless way to share photos with families.*

SAN MATEO, CA, UNITED STATES, January 2, 2025 /EINPresswire.com/ -- Jumbula, a provider of [online registration](#), payment, and management for classes and camps, is thrilled to announce the launch of its SmugMug Integration. This new feature enables program administrators to seamlessly organize and securely share photo galleries with families, giving parents a convenient way to view and download high-quality images of their children's activities directly through the [My Jumbula app](#).

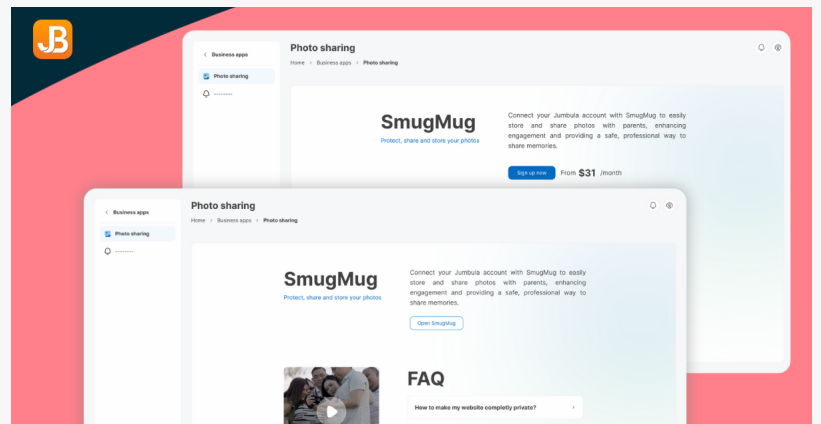

## Why This Feature is Essential

Managing and sharing photos from camps, after-school classes, and sports programs has traditionally been time-consuming, requiring administrators to manually sort, organize, and distribute images. The SmugMug Integration eliminates these challenges by allowing administrators to upload, organize, and share entire galleries effortlessly, all while ensuring privacy and security.

"The SmugMug photo-sharing integration is a game-changer for our users, providing a seamless and secure way to share cherished memories with families," said Ignacio Carranza, VP of Sales and Marketing at Jumbula. "It not only enhances the parent experience by making it effortless to view and download photos from camps and classes, but also creates a new revenue stream for

administrators. This marks another step in our mission to help businesses thrive while fostering stronger connections with families.”

“SmugMug is excited to join forces with Jumbula to tackle a key challenge for program operators,” said Kiran Lachumanna, VP of Global Sales & Partnerships at SmugMug & Flickr. “Together, we’re delivering a solution that empowers providers to safely and effortlessly share priceless memories of kids’ experiences with their parents. Plus, with options for tangible prints, this partnership not only preserves treasured moments but also creates a new revenue stream for program operators.”

#### Key Features

- Centralized Photo Management: Upload, organize, and share photos all in one place.
- Secure Sharing: Families access photos directly through the My Jumbula app, ensuring privacy and convenience.
- Mobile-Friendly: Parents can view and download images from their mobile devices anytime.
- Easy Setup: Administrators can activate the feature quickly via the Jumbula Admin Dashboard.

The SmugMug Integration is now available to all Jumbula users. Administrators can enable the feature in their dashboard, and families can begin enjoying organized, secure photo access immediately.
