AMERICA'S TOP 100 PERSONAL INJURY  
ATTORNEYS®

Announcing the selection of David L. Hood, of  
[The Law Offices of David L. Hood](#), among  
America's Top 100 Personal Injury Attorneys®

for 2025. Selection to America's Top 100 Personal Injury Attorneys® is by invitation only and is reserved to identify the nation's most exceptional litigators for high-value personal injury, catastrophic injury, wrongful death, product liability, and medical malpractice matters.

To be considered for selection, an attorney must focus more than 50% of their active legal practice on personal injury, catastrophic injury, wrongful death, product liability, and/or medical malpractice matters.

These minimum qualifications are required for initial consideration. Thereafter, candidates are carefully screened through Advanced Data Analytics evaluating a broad array of criteria, including the candidate's professional experience, litigation experience, significant [personal injury settlements](#) and/or verdicts, peer reputation, and community impact in order to rank the candidates throughout the state.

Only the top 100 qualifying attorneys in each state will receive this honor and be selected for membership among America's Top 100 Personal Injury Attorneys®. With these extremely high standards for selection to America's Top 100 Personal Injury Attorneys®, less than one-half percent (0.5%) of active attorneys in the United States will receive this honor — truly the most exclusive and elite level of attorneys in the community. Mr. Hood recently settled a [dram shop](#) case involving a man leaving a bar and crashing into a lady headed to work for over \$2,000,000.
