

LegalMatch.com: Prepare for a Safe and Legal New Year's Eve Celebration

RENO, NV, UNITED STATES, December 30, 2024 /EINPresswire.com/ -- As New Year's Eve approaches, this is the most critical time of the year to plan a safe celebration. Year after year, statistics consistently show that New Year's Eve is the holiday with the highest number of [DUI \(Driving Under the Influence\)](#) and [DWI \(Driving While Intoxicated\)](#) arrests across the United States.

DUI and DWI charges are often used interchangeably but can vary depending on the state. Both charges involve driving a vehicle while impaired by alcohol or drugs. However, some states may have specific legal thresholds for blood alcohol content (BAC) that define DUI/DWI, while others might use a broader definition of impairment.

“

DUI/DWI charges can have serious consequences, including license suspension, fines, and even jail time. We encourage everyone to plan ahead for a safe and sober New Year's Eve celebration.
