*Golden Jade's Sky Jade recognized for excellence in architecture, building, and structure design by the prestigious A' Design Award.*

COMO, CO, ITALY, December 26, 2024 /EINPresswire.com/ -- The esteemed A' Design Award has announced [Golden Jade's Sky Jade](#) as a winner of the Iron A' Design Award in the [Architecture, Building and Structure Design](#) category. This prestigious recognition highlights Sky Jade's exceptional design and its significant contribution to the field of architecture. The A' Design Award is a highly respected and well-recognized award in the architecture industry, celebrating innovative and impactful designs from around the world.

Sky Jade

The A' Architecture, Building and Structure Design Award is particularly relevant to industry professionals, as it showcases designs that align with current trends and advance architectural practices. Sky Jade's recognition demonstrates its adherence to high standards and its potential to inspire future developments in the field. This award not only benefits Golden Jade but also highlights the importance of innovative and sustainable design for the entire architecture community and its stakeholders.

Sky Jade stands out for its unique integration of digital architecture, green spaces, and sustainable features. The building's exterior boasts a 360-degree curtain glass design with a 7-degree inclination, creating a faceted appearance reminiscent of gemstone cuts. The interior layout incorporates four-sided natural lighting, promoting energy efficiency and a dynamic interplay of light and shadow. With 60% of the building covered in greenery, Sky Jade harmonizes with its surroundings and demonstrates a commitment to sustainable coexistence with nature.

This recognition from the A' Design Award serves as a testament to Golden Jade's dedication to pushing the boundaries of architectural design. It will undoubtedly inspire the team to continue exploring innovative solutions that prioritize sustainability, functionality, and aesthetic appeal. Sky Jade's success may also influence industry standards, encouraging more architects and developers to embrace digital architecture and green building practices.

Sky Jade was designed by the talented team at Golden Jade, including Joyce Yang, Architect Jung-Chiang Hsu's Office, and the skilled builders at Golden Jade Construction & Development Corp.
