

Ntvs Service by Ming Yuan Li Wins Iron A' Design Award in Interior Space and Exhibition Design Category

Ming Yuan Li's Innovative Education Center Design, Ntvs Service, Receives Prestigious Recognition from the A' Design Award and Competition

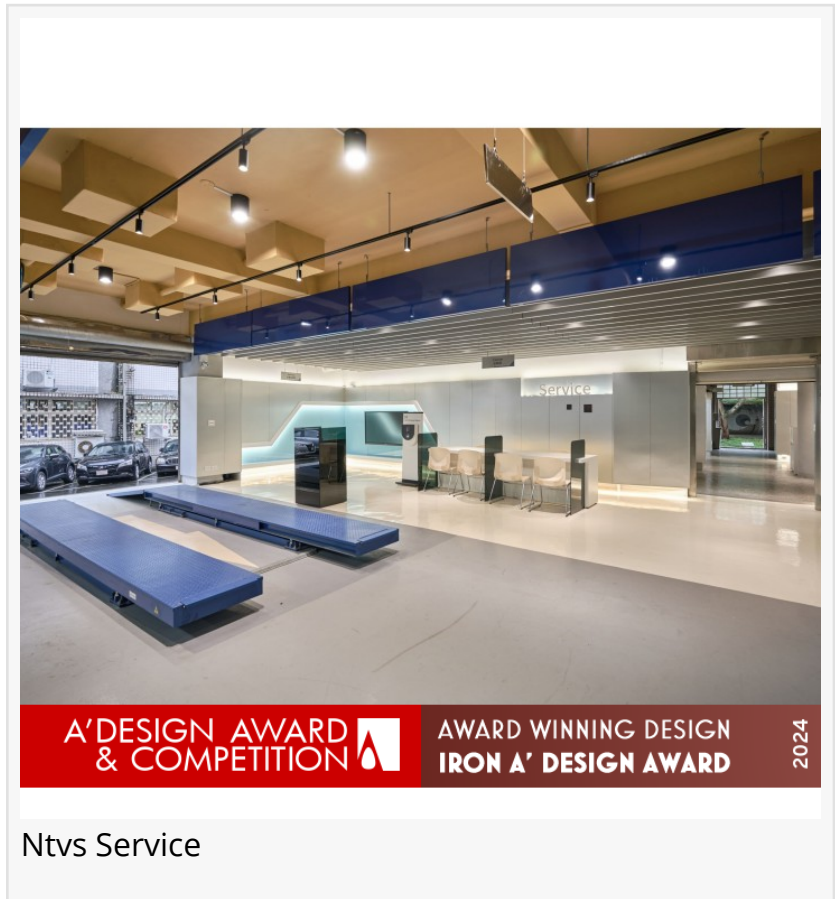

COMO, CO, ITALY, December 24, 2024

[/EINPresswire.com/](https://www.einpresswire.com/) -- The A' Design Award and Competition, a highly respected recognition in the field of [interior](#) design, has announced Ntvs Service by [Ming Yuan Li](#) as a winner of the Iron A' Design Award in the Interior Space and Exhibition Design category. This prestigious accolade highlights the significance of Ntvs Service within the interior design industry, acknowledging its outstanding design excellence and innovation.

Ntvs Service's recognition by the A' Interior Space, Retail and Exhibition

Design Award underscores its relevance to current trends and needs within the interior design industry. The design aligns with and advances interior design standards and practices, offering practical benefits for users, the industry, and other stakeholders through its emphasis on utility and innovation.

What sets Ntvs Service apart is its unique approach to integrating education with industry. The design features a modern and technological atmosphere, achieved through the use of metal, geometric shapes, and carefully selected color schemes. The customer lounge boasts an open and transparent layout with a high-ceiling space, creating an elegant and harmonious environment for guests. Lighting plays a crucial role, with a combination of ceiling downlights and track lights meeting functional needs while maintaining a simple, cohesive tone.

Ntvs Service

The Iron A' Design Award for Ntvs Service serves as a motivation for Ming Yuan Li and their team to continue striving for excellence and innovation in future projects. This recognition may foster further exploration and advancement in the field of educational space design, inspiring Ming Yuan Li to push the boundaries of what is possible in creating functional, aesthetically pleasing, and industry-integrated learning environments.

Ntvs Service was designed by Ming Yuan Li, showcasing their expertise in crafting exceptional interior spaces that seamlessly blend form and function.
