## Some Notable Case Victories in 2024

### 1. Life Sentence Case: Freedom Secured After Prolonged Custody

In a complex life sex case, BACL took over as the client's second attorney after 13 months in pretrial custody. Through numerous filings and hearings, the team successfully secured the client's release after a total of 23 months, paving the way for justice in a highly challenging case.

### 2. Exposing Misconduct in a 40-to-Life Murder Case

As habeas counsel, Mr. Cohen compelled the government to respond to serious allegations of prosecutorial misconduct in a 40-to-life second-degree murder case. His detailed legal brief, bolstered by expert witness submissions, led the court to demand the DA justify why the petition should not be granted.

### 3. First-Degree Murder Charge Dismissed on Speedy Trial Grounds

In another high-profile case, a client facing a potential life sentence under a 50-to-life first-degree

murder charge saw the case dismissed on speedy trial grounds. BACL's relentless advocacy resulted in a refiling and eventual settlement offer of 12 years, significantly reducing the client's sentence to a determinative term ensuring release in just over three years.

#### 4. Permanent Removal of 290 Sex Offender Registration

BACL successfully petitioned to remove a client from the 290 sex offender registry, resolving a long-standing sex registration case. The decision granted the client a fresh start, free from the lifelong restrictions of registry status.

#### 5. Attempted Murder and Robbery Cases Resolved Favorably

In a multiple-victim attempted murder case, Mr. Cohen negotiated a resolution with a sentence of less than three years in custody, including time served.

In another case involving attempted murder and robbery charges, the client was released within two weeks, highlighting the firm's ability to achieve swift and impactful outcomes.
