

Shanghai Bohua Tower 55F by Bill Yen, Frank Chen and Lainey Lv Wins Iron A' Design Award in Interior Design Category

Innovative Office Design by Bill Yen, Frank Chen and Lainey Lv Receives International Recognition in A' Interior Space and Exhibition Design Awards

COMO, CO, ITALY, December 25, 2024 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected award in the field of [interior](#) design, has announced Shanghai Bohua Tower 55F by [Bill Yen, Frank Chen and Lainey Lv](#) as the recipient of the Iron A' Design Award in the Interior Space and Exhibition Design category. This prestigious recognition highlights the exceptional design and innovation demonstrated by the winning work, positioning it as a notable contribution to the interior design industry.

Shanghai Bohua Tower 55F

The award-winning Shanghai Bohua Tower 55F design holds significant relevance for both the industry and its users. By providing a functional and visually appealing office space that caters to the needs of a hybrid workforce, the design aligns with current trends and addresses the evolving requirements of modern workplaces. The innovative use of space, material selection, and attention to detail showcase the project's potential to set new standards and inspire future interior design practices.

Shanghai Bohua Tower 55F stands out for its thoughtful division of space, creating distinct areas for workstations and meetings while maintaining a cohesive aesthetic throughout. The minimalist material palette of pale travertine, concrete, and oak, combined with the consistent dimensional module shared by wood panels, travertine, and glass partitions, creates a harmonious and visually striking environment. The design's verticality and classical building proportions lend a sense of groundedness and sophistication, befitting a financial company.

Receiving the Iron A' Design Award serves as a testament to the skill and dedication of the design team behind Shanghai Bohua Tower 55F. This recognition is expected to inspire future projects within the Mrt design studio, fostering further innovation and exploration in the field of interior design. The award also motivates the team to continue striving for excellence, pushing the boundaries of creativity while maintaining a strong focus on functionality and user experience.

Shanghai Bohua Tower 55F was brought to life through the collaborative efforts of a talented team. The project was led by Design Director Bill Yen, with Frank Chen serving as the Project Designer. Designers Martin Wang and Kid Yang also made valuable contributions to the successful realization of this award-winning interior space.

About Mrt design

Founded in 2006, MRT design is an award-winning spatial design studio based in Shanghai, with a portfolio that covers the range from large mixed-use developments to intimate residential interiors. The team is composed of designers with diverse backgrounds and experiences, enabling them to provide comprehensive solutions encompassing spatial design, strategy, and product development. MRT design's commitment to excellence and innovation has earned them recognition in the industry.

About A' Design Award

The Iron A' Design Award is a prestigious recognition granted to designs that meet the rigorous professional and industrial standards set by the A' Design Awards. Recipients of this award demonstrate a solid understanding of design principles, creativity, and practical innovation within their respective fields. The Iron A' Design Award acknowledges designs that improve quality of life and foster positive change, showcasing the skill and dedication of their creators in addressing real-world challenges through thoughtful design solutions. The award is bestowed upon designs that are highly regarded for their thoroughness, technical competence, and ability to integrate industry best practices.

About A' Design Award

The A' Interior Space, Retail and Exhibition Design Award is a respected competition that promotes excellence and innovation within the interior design industry. Welcoming a diverse range of participants, including visionaries, leading agencies, innovative companies, and influential brands, the award provides an opportunity to showcase creativity and gain international recognition. The rigorous selection process involves blind peer review by an expert jury panel, ensuring winning designs meet pre-established evaluation criteria. By participating in the A' Design Award, entrants can demonstrate their superior design capabilities and contribute to advancing the interior design industry. Winning the award offers global recognition and increased status within this competitive field. The A' Design Award, now in its 16th year, is driven

by a philanthropic mission to enhance society through the power of good design, recognizing and celebrating remarkable achievements that positively impact the global community.
