

# Bucket Arch by Yi Lu Wins Iron A' Design Award in Furniture Design Category

*Yi Lu's Innovative Bucket Arch Tea Table Receives International Acclaim with Iron A' Design Award Win*

COMO, CO, ITALY, December 25, 2024 /EINPresswire.com/ -- The A' Design Award, a highly respected and prestigious international design competition, has recently announced [Yi Lu](#) as a winner in the [Furniture](#) Design category for the innovative Bucket Arch tea table. This recognition highlights the exceptional design and craftsmanship of the Bucket Arch, which seamlessly integrates traditional Chinese architectural elements with modern functionality and aesthetics.

The Bucket Arch tea table's award-winning design showcases the relevance and importance of incorporating cultural heritage and craftsmanship into contemporary furniture pieces. By combining the timeless beauty of ancient Chinese wooden architecture with the practical needs of modern living spaces, Yi Lu's design demonstrates how traditional elements can be adapted to enhance the user experience and elevate the overall aesthetic of a room.

What sets the Bucket Arch apart is its unique fusion of the iconic arch shape found in traditional Chinese wooden buildings with a clean, minimalist design. Crafted from premium black walnut wood, the table features a meticulously polished desktop that provides ample space for dining or working while maintaining a clutter-free appearance. The arch-inspired base not only adds visual interest but also ensures structural stability and durability.

Winning the Iron A' Design Award serves as a testament to Yi Lu's dedication to pushing the boundaries of furniture design and creating pieces that resonate with both cultural heritage and

Bucket Arch

contemporary sensibilities. This recognition is expected to inspire further exploration and innovation within the brand, as well as encourage other designers in the industry to embrace the power of traditional elements in modern design.

### Team Members

Bucket Arch was designed by Yi Lu, the lead designer, in collaboration with Ruicheng Mao, who provided valuable insights and support throughout the design process.

### About Yi Lu

Yi Lu is a talented designer from China who specializes in ecological design, care design, and furniture and home design. With a passion for exploring the philosophy of design and a keen interest in creating meaningful experiences through his work, Yi Lu strives to bring a sense of emotion, care, and love to each of his projects. His dedication to craftsmanship and attention to detail are evident in the award-winning Bucket Arch tea table.

### About A' Design Award

The Iron A' Design Award is a prestigious recognition granted to designs that demonstrate a solid understanding of design principles, creativity, and practical innovation. Recipients of this award are acknowledged for their contributions to their respective fields, providing solutions that improve quality of life and foster positive change. The Iron A' Design Award celebrates designs that meet rigorous professional and industrial standards, showcasing the skill, expertise, and creative capacity of their creators.

### About A' Design Award

The A' Design Award is an international, juried design competition that has been recognizing and promoting exceptional design since 2008. Open to entries from all industries and countries, the A' Design Award welcomes a diverse range of participants, including visionary designers, innovative agencies, forward-thinking companies, and influential brands. By participating in this prestigious competition, entrants have the opportunity to showcase their creativity, gain global exposure, and be recognized for their outstanding design capabilities. The ultimate aim of the A' Design Award is to recognize and promote superior products and projects that advance and benefit society, helping to create a better world through the power of good design.
