24th Annual MLK Day - Volunteer Fair

“

Everybody can be great because everybody can serve.”

*Martin Luther King Jr.*

Dr. King's philosophy centers on the belief that "everybody can be great because everybody can serve." In this spirit, the Volunteer Fair aims to connect community members with local non-profit and civic organizations in Southern Chester County. Attendees will have the opportunity to learn about various volunteer opportunities and discover

how they can make a positive impact in their community.

The "Be A King" Volunteer Fair will feature a variety of volunteer opportunities from local non-profit and community organizations. These opportunities may include roles in food distribution, youth mentorship, community cleanup projects, and support for local events. Attendees can connect directly with organizations that align with their interests and skills, allowing for meaningful engagement in community service.

We invite all individuals, families, and groups to join us in this celebration of service and kindness. The greatest tribute we can pay to Dr. King's memory is to come together, irrespective of our backgrounds, and engage in individual acts of kindness. By volunteering, we can help build a stronger, more compassionate community. Everyone who attends the Volunteer Fair will receive a free tee shirt in honor of Dr. King.

Together, let's honor Dr. King's legacy by committing to serve and uplift those around us.
